

PETITE COOK'S COMBO

There are few things in today's market place that are of high quality anymore. In real estate, I do my best to offer the highest quality service to my clients. That is why I am giving you the gift of Cutco.

If you aren't familiar with Cutco, it is the world's finest kitchen cutlery. They are made in the U.S., with a Forever Guarantee, which includes FREE sharpening for life. I hope you enjoy using it with your friends and family for years to come. If there is any other way I may be of service to you, your friends, family, or acquaintances, don't hesitate to contact me.

This set is called the "Petite Cooks Combo." Some practical uses:

Petite Santoku:

- Slice and dice meats including chicken, beef, pork and fish
- Butterfly chicken breasts
- Dice vegetables including onions, carrots, celery, zucchini & potatoes
- Slice Sushi

Trimmer:

- Slice tomatoes, cucumbers, peaches, pears, and corn off the cob.
- Trim fat off steaks, chops, and roasts
- Cut and section grapefruit and oranges
- Slicing lemons, limes, and peppers

Thank you for your business.
