

SPATULA SPREADER

There are few things in today's market place that are of high quality anymore. In real estate, I do my best to offer the highest quality service to my clients. That is why I am giving you the gift of Cutco.

If you aren't familiar with Cutco, it is the world's finest kitchen cutlery. They are made in the U.S., with a Forever Guarantee, which includes FREE sharpening for life. I hope you enjoy using it with your friends and family for years to come. If there is any other way I may be of service to you, your friends, family, or acquaintances, don't hesitate to contact me.

The Spatula Spreader has a number of very cool, practical uses:

- Spread and cut sandwiches, muffins, and rolls
- Frost and cut small desserts
- Slice and remove pie, brownies, lasagna, and Rice Krispies treats from the pan
- Spread cream cheese on bagels or butter on toast
- Cut tomatoes or avocado and cut your sandwich in half
- Create the perfect Peanut Butter & Jelly!

Thank you for your business.
