

SANTOKU-STYLE TRIMMER

There are very few things in today's market place that are of high quality anymore. In real estate, I do my best to offer the highest quality service to my clients, and I only want to associate myself with the best. That is why I am giving you the gift of Cutco.

If you aren't familiar with Cutco, it is the world's finest kitchen cutlery. They are made in the U.S., with a Forever Guarantee, which includes FREE sharpening for life. I hope you enjoy using it with your friends and family for years to come. If there is any other way I may be of service to you, your friends, family, or acquaintances, don't hesitate to contact me.

The Trimmer has a number of very cool, practical uses:

- Slice tomatoes, cucumbers, peaches and pears
- Cut corn off the cob
- Trim fat off steaks, chicken, pork chops and roasts
- Cut and section grapefruits and oranges
- Slice lemons, limes and peppers

Thank you for your business.
