

SUPER SHEARS

There are few things in today's market place that are of high quality anymore. In real estate, I do my best to offer the highest quality service to my clients. That is why I am giving you the gift of Cutco.

If you aren't familiar with Cutco, it is the world's finest kitchen cutlery. They are made in the U.S., with a Forever Guarantee, which includes FREE sharpening for life. I hope you enjoy using it with your friends and family for years to come. If there is any other way I may be of service to you, your friends, family, or acquaintances, don't hesitate to contact me.

The Super Shears have a number of very cool, practical uses:

- Snip fresh herbs & flower stems
- Section chicken
- Open bags, boxes and packages from UPS, FED EX, etc.
- Do hundreds of jobs around the home and in the workshop
- Clean by opening the blades and lifting the top blade off

Thank you for your business.
